Zihan Zhu

(520)873-8331 || zihanzhu@math.arizona.edu

Education

2014.9-2019.6 Bachelor of Economics, Fudan University

2015.9-2019.6 Bachelor of Management, Fudan University

2019.8-now Statistics GIDP, passed PhD Qualifying Exam, University of Arizona

Teaching

2019.9-2019.12 GTA of MATH 112, University of Arizona

2020.1-2020.5 GTA of MATH 263, University of Arizona

2020.7-2020.8 GTA of MATH 112, University of Arizona

2020.9-2020.12 GTA of MATH 263, University of Arizona

2021.1-2021.5 GTA of MATH 263, University of Arizona

2021.7-2021.8 GTA of MATH 120R, University of Arizona

2021.9-2021.12 GTA of MATH 564, University of Arizona

2022.1-2022.5 GTA of MATH 566, University of Arizona

2022.5-2022.6 Instructor of MATH 120R, University of Arizona

Awards

2015.12 Scholarship of Shanghai City

2017.5 Meritorious winner in mathematical modeling competition of MCM/ICM

2018.12 Third Scholarship of Fudan University

2021.4 Member of Mu Sigma Rho

2022.6 Carter Travel Award

Professional and Social Work

2014.9-2019.5 Peer educator in AIDS prevention of the ICRC

2021.4-2022.8 Secretary of Mu Sigma Rho, University of Arizona Chapter

2022.8-now President of Mu Sigma Rho, University of Arizona Chapter

Presentations

2018.6 "Which Theory Best Predicts Exchange Rates: A Bayesian Model-Averaging

Approach" on 2018 China Meeting of Econometric Society. (with Wenbin Wu)

2022.8 "Modeling Sparsity using Log Cauchy prior" on JSM 2022 (with Xueying

Tang)
